Appreciation Note

A very pleasing Information and an appreciation note to share with all honourable CWC /Members :

Dear Comrades,

With great pleasure & satisfaction, it is to inform that an amount of RS. 1,24,236 (ONE LAKH TWENTY FOUR THOUSAND TWO HUNDRED THIRTY SIX ONLY) has been credited in Association's PNB account on 17th March 2021 .The credited amount is a matured value of a SBI Mutual Fund which was bought by ARTEE more than15 years back and we were not having any proper certificate or supporting document (like Folio No.) of the same .During the tenure of present CWC ,we just found a slip of an application number of that SBI Mutual Fund of Rs. 40000 of that time.

Our VP TV and senior most Leader Shri Yogesh Kumar ji took the initiative to find its details and procedures to redeem it in favour of association at present value of the SBI Mutual Fund.

Central Executive authorized him to follow this issue in the interest of the Association. A lot of procedures were followed up by him personally to fulfil all the criteria of SBI MUTUAL FUND LTD. like KYC etc very patiently & carefully. **Sh.Yogesh Kumar ji has done a tremendous job to get back the full value of maturity amount on date of that SBI Mutual Fund & Credited Amount (RS.1,24,236)is the proof of his restless and very sincere effort to enrich the Association Fund with a handsomely matured amount .**

On behalf of Association, i want to thank him for his commendable contribution to the association once again.

Thankyou Sir.
