Sub: Humble request for your kind intervention to withdraw the new staffing norms issued by Prasar Bharati vide OM/F. No. A-10011/NTP/2019-PPC dated 02.03.2021-reg.

Respected Sir,

With highest regards, I would like to draw your kind attention to an illogical OM issued by Prasar Bharati F. No. A-10011/NTP/2019-PPC dated 02.03.2021 regarding modified staffing norms for subordinate engineering staff of AIR & DD. This OM aims at drastically reducing the existing staff strength of various subordinate engineering cadres deployed at the field stations of AIR and DD. The above-mentioned illegal & illogical OM dated 02.03.2021 envisages single-person shifts at HT installations in flagrant violation of safety measures contained in Indian Electricity Rules and AIR/DD manuals which are sacrosanct concerning the functioning of AIR and DD installations.

Sir, I am working as atIt is utmost pertinent to mention here that the above mentioned order issued by PB is quite inhuman as it would certainly put the life of myself and other personnel at risk. The most of the DD HPT and AIR FM installations are situated either on hilltops or in remote areas, where putting single persons in shifts will certainly endanger their lives in case of electrical accidents. Further, uninterrupted transmission is the hall mark of AIR/DD services which would be severely affected by this unjustified new staffing norm and it may result in huge breakdowns. In addition, the implementation of above-mentioned OM will force the myself and other colleagues to work continuously without even availing any mandatory weekly off and other eligible leave as admissible which is in clear violation of rights granted to me as an employee of GOI.

It is earnestly requested to kindly intervene to ensure the withdrawal of the above mentioned illegal and illogical OM dated 02.03.2021 issued by Prasar Bharati so that I may be able to discharge my duties and responsibilities with utmost devotion and without any fear regarding safety and security.

Thanking you in anticipation.

Yours Sincerely
