WELCOME TO ONLINE ARTEE CWC/General Body Meeting 2021

Scheduled on 13.03.2021 & 14.03.2021

On behalf of ARTEE CENTRAL OFFICE I wholeheartedly invite all Hon'ble CWC Members and Special Invitees to attend ONLINE CWC/General Body Meeting 2021" scheduled on 13th March (Saturday) & 14th March (Sunday) 2021 and make this event successful and memorable in the interest of ARTEE & Members .

We are going to adopt "CISCO WEBEX " Online meeting platform without paying any cost for using a "licensed Admin of CISCO WEBEX " product for organizing our CWC on scheduled dates. Using this Paid product of "licensed Admin of CISCO WEBEX" we shall get unlimited time to extend our meeting in continuation with maximum capacity of CWC attendees.

Therefore it would be essential now for all attendees of forthcoming ONLINE CWC to download this app through "GOOGLE PLAY STORE " or from official website of Cisco webex in your Smart phones/Android/Laptop/Desktop/Tablet and be familiar with it to use smoothly during our CWC. It is very easy to download & user friendly. Required Links shall be circulated to all of you through your mails/whatsapp/CWC Whatsapp group by 12th March 2021(Friday) explicitly but links would work only & only if CISCO WEBEX shall be downloaded in your Mobiles/Laptops//Desktop etc.

A good network internet connection should be available with the users also with adequate power backup/battery backup .

Virtual Mode of CWC Meet may have some limitations of Technical requirements /Internet connectivity issue /Software Constraints etc, hence for the convenience of the CWC members and for smooth running of our ONLINE CWC ,we have to be more disciplined & selective while using such digital software in limited time period provided to each of individual attendees by the House/Chair during discussion of agendas. All attendees must be attentive during the whole meeting to have better idea of Discussions. Although it won't be easy to maintain continuous attention for longer period of Online Meeting but we cannot be sluggish or carefree during serious discussions of CWC also. Therefore it would be more beneficial if we use our discussion time prudently in a decent way of communication following the standard limitation of time & other technical issues of ONLINE Meeting. Everyone will have to follow the concept of Patient listening & wait for his turn to speak, which will provide a very cordial & conducive environment of healthy discussion to all of us during ONLINE CWC. It is pertinent to mention that each willing attendee of CWC shall get his turn to present his view with the permission of the chair. But any indisciplined or irresponsible behaviour won't be tolerated also and decision of the HOUSE shall be final on all occasions.
