

Election office has received complaints from some members that their nominations sent by mail are not reflected in List of Nominations released yesterday.

However all nominations received were checked with extreme care, but In this reference all such members are instructed to send their nomination again with the proof of sending the nomination earlier within prescribed time on ROs mail. All such claims will be examined and If found genuine may be included in the list of valid nominations

Please note that proof of sending the nomination must be attached. All such claim should reach Election office by 04/06/2022 on 1700hrs.
