This was agreed in principle and it was decided to hold a Central Council Meeting to discuss and approve this proposal.

In today's Central Council meeting, this issue was discussed in depth and the proposal was approved. The following suggestions were made:

- The amount of Rs.25000/- would be sanctioned for each zone as an imprest amount.
- This amount is meant to reimburse expenditure on tours, meetings and publicity material related to RSA membership drive.
- It was agreed to defray 3rd AC travel.
- It was agreed to make judicious use of this facility. The cheapest among various modes of transport may be used. Tours may be planned well in advance to avoid dynamic pricing. If multiple office-bearers are travelling from one place to another, it is encouraged to use a single car accommodating all travellers, if found feasible.
- All tickets, bills, receipts related to the expenses to be produced while claiming the amount.
- The zonal Vice Presidents to send an email to Head Quarters quoting this resolution and furnishing their bank account details.

Meeting ended with the vote of thanks by the chair.
