Sir,

It is informed that disciplinary proceedings are being contemplated against four central executives of the association for their anti-association activities. They have also announced a fake team of CWC members for the term 2024-26 without a single vote being cast after adopting the facade of illegitimate election process. The entire matter is being referred to the General Body/ Central Committee of the association scheduled to be convened on 11.09.2024 at Chennai. Kindly find the attachments on the subject matter.

Regards,

H.G.Sharma,
