Date 07/11/2024

## Appeal

This is with reference to the Circular dated 06.11.2024 issued by DG: Akashvani regarding deduction of annual subscription from the salary of members with effect from November 2024. The recognition process commenced vide DG: Akashvani's Circular dated 03.04.2023 and all the necessary documents were submitted by the Association on 18.04.2023. Thereafter, the process was kept under suspension till the judgment dated 08.07.2024 in OA 1982/2017 filed by ARTEE on 08.05.2017 which was disposed off by Hon'ble CAT, Delhi giving three months time to the department to commence the stalled recognition process. The Ministry had directed PB to comply with the CAT order. Now credit mongers are again surfacing to get mileage like they are doing shamelessly during last two years. Their propaganda machinery is in full swing to get the credit for works done exclusively by the ARTEE. We stood first during last RSA process and we hope to cross the benchmark this time, only if we are able to highlight our achievements during last two and half years. We have been on the winning streak in so many court cases and our achievements have been impressive and we have left rival associations far behind on all the parameters of performance. The only drawback is the destructive activities of dissident group. Hope that better sense will prevail upon these negative elements and it is an humble appeal to the members that they do not fall prey to the misinformation campaign by these destructive elements. It is my humble appeal to the members to support the leadership wholeheartedly in this hour of crisis. We hope to come victorious on the recognition issue also. All the office bearers and CWC members are requested to get the enclosed performa duly filled up and submitted to the HOO on top priority as soon as possible.
