

Work Distribution in ARTEE Central Office

At the outset I convey my gratitude to esteemed Members for participating in recently concluded election with enthusiasm. Now It is our prime duty to prove us up your expectations. In order to provide effective and prompt response following Office bearers are assigned the responsibilities in addition to their duties as per constitution.

The below mentioned work distribution is done with the intention to facilitate Members and to distribute the work load. In case of emergency Member can contact any of the said office bearer and on the basis of experience the work allocation may be changed.

About normal Telephonic Enquiries Members are advised to call between 0900 to 2200 hrs. However in case of emergency any office bearer may be called any time. If any office bearer is not responding even after calling two three times, Members are advised to show restrain as the office bearer may not be in a position to receive the call due to so many reasons. In such case all these office bearers are being instructed to call the Member at the earliest possible opportunity. Member are expected to co operate to provide an effective and prompt response.

It is also often seen that most of the matters which required to be taken up at Unit, State or Zonal level and Centre has no role to play are reported directly to Central Office. It is advised that matter should be raised at appropriate level first and than central office may be approached. However in case of urgent need central Office is always there to help u.

All the Members are requested to co operate us, understanding the intension of conducting the work smoothly and to provide you the best of response.

**UMESH CHNADRA,
President, ARTEE**
