Subject : Resentment over taking up issue of already granted MACP in Prasar Bharati Board.  
Ref : Earlier letter SSS/02/02/2011 18.02.2011 on subject :Efforts to sabotage grant of MACP to subordinate Engg. & Prog. Cadres through Audit Objections .(A conspiracy to disturb Cordial atmosphere in the department)

Respected Sir,

With warm regards this is in continuation of our previous letter as mentioned above about continuous efforts being made from unknown corners to put hurdles in the implementation of MACP to subordinate Engg. & Program cadres with the conspiracy to spoil the cordial atmosphere of the department.

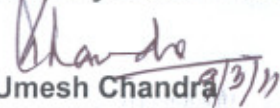

We regret to submit your high office that despite our continuous efforts of avoiding any provocation for disturbing the Industrial peace the Prasar Bharati Management is taking steps after steps in the direction which are creating confusions and resentments among employees. As per latest information received we have come to know that issue of already granted MACP to employees of AIR & TV working in Prasar Bharati on deemed deputation is being brought in the Meeting of Prasar Bharati Board for approval.

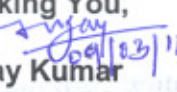

It is also pertinent to mention that MACP is already implemented for all cadres through out the country and the Govt. employees working in Prasar Bharati on deemed deputation are not Prasar Bharati Employees and the issues pertaining to us including MACP can not be discussed in the Meeting of Prasar Bharati Board.

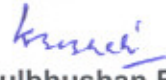

Pl. note MACP to sub ordinate Engg. and Program cadres was granted as per 6<sup>th</sup> CPC recommendations , as we all are Govt. Employees and have not joined Prasar Bharati till date. On the same basis the All Indian Radio & Doordarshan Employees who are working in Prasar Bharati on deemed deputation are granted benefit of 6<sup>th</sup> CPC at par with all other Central Govt. Employees. It is also pertinent to mention that the same is admitted before Hon'ble Supreme Court and Hon'ble Group of Ministers constituted for this purpose has also taken the same decision.

We want to reiterate our clear stand that in case of any interruption this SSS of ARTEE, ADTEA & PSA will have no option except to go on agitation steps which will subsequently jeopardize the functioning of the department.

An early action in this regard is expected to avoid any type of interruption in implementation of MACP.
