Efforts to sabotage grant of MACP to subordinate Engg. & Prog. Cadres through
Audit Objections .(A conspiracy to disturb Cordial atmosphere in the department)

Respected Sir,

With warm regards this is in continuation of our previous letter SSS/01/02/2011 dated 18.02.2011 about continuous efforts being made from unknown corners to put hurdles in the implementation of MACP to subordinate Engg. & Program cadres . In a recent incident another objection has been raised by Pay and Account office Chennai. It is another testimony to prove our apprehension.

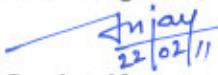

All the objections are having a strange similarity of two points i.e. the agreement of 25.2.1999 and ACP. It is pertinent to mention that another employee Association has been registering its objection on the two issues since 1999. It can not be a incidental.

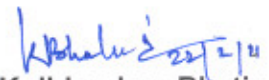

It is once again strongly demanded that the clarification should be issued at the earliest specifically clarifying these two points.

An early action in this regard is expected to avoid any type of interruption in implementation of MACP.
