Subject : **Non disbursement of Salary in Stations due to delay in LOC or insufficient LOC.**

Respected Sir,

With regards this is to inform you that in many of the stations staff waiting for salary for the month of March 2013. Whatsoever may be the reason, it is indeed a matter of concern that due to non disbursement of LOC or insufficient LOC the station heads are unable to disburse the Salary and staff is facing hardships.

It is also a matter of grave concern that in the month of January and February staff face heavy deductions of Income tax etc and the Salary for the of March is disburse few days later in April due to Financial Closure.

It has become a regular practice for us to rush Prasar Bharati at the time of disbursement of Salary every month as every month some of the stations are facing this delay. It is requested that necessary arrangement should be made and a mechanism should be developed and followed judiciously for smooth and timely disbursement of Salary every month.

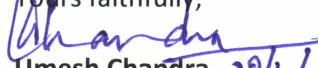

More over so many stations are not disbursed any fund in RE head even after allocation of budget by All India and Doordarshan and due to which the Pendency of allowances like OTA, TTA, Medical Bills is increasing day by day. **LPT Stations falling under Doordarshan Maintenance Centers like Motihari, Bhagalpur, Jamshedpur, Gaya, Dhanbad arrears of MACP are pending since 2010.**

An early actions is required sensing the urgency of matter.
