Madam,

We are grateful to your goodself for taking the initiative for the appointment of Directors General of AIR & DD by initiating the selection process.

The employees and perhaps the well wishers of the National & Public Service Broadcaster were eagerly monitoring the selection process, especially in the light of alleged roles of the then DG:DD & CEO PB, the two outside officers in tarnishing the image of this august organization. It is also a well known fact, that the PB Board members were more involved in fighting amongst themselves, rather than working cohesively for the betterment of the organizations.

Employees of AIR & DD were expecting the Board, which is making efforts to transfer the existing employees of AIR & DD to Prasar Bharati, will take the decision to appoint the candidates from the department who know and feel the pulse of the organization and its employees to head the prestigious organizations, AIR & DD, the two wings of Prasar Bharati.

But it is astonishing to learn that despite having eligible candidates in the department fulfilling the requirement in the Recruitment Rules for the post of Director Generals of Doordarshan & All India Radio and more so two of them were holding the charge of DG:in Doordarshan and AIR in different terms, they were not considered fit for the post, as compared to some candidates, from outside the organization, who never had the experience of handling such a broadcasting organization.

With the recent episode of the Ministry's direct interference (as per the News Paper reports- copy attached), rather directing the PB Board to reverse its order of priority of selected candidates and the PB too acceding to it, it has become all the more evident that PB has NO AUTONOMY and the Govt. is also of the view that both the organization, the National and Public Service Broadcaster - AIR & DD, realizing its sensitive and strategic importance, needs to be under its direct control.

We are very happy to note that the PB Board and Govt. also finally agrees with view point of NFADE that the concept of Prasar Bharati is irrelevant/redundant and AIR & DD should be governed directly by Govt of India by Repealing the Prasar Bharati Act 1990.

With warm regards

I&B returns Prasar list for DD, AIR; name order changed

ARCHNA SHUKLA
NEW DELHI, 22 MARCH

IN WHAT puts a question mark over the government's promise of autonomy to Prasar Bharati, a list prepared by the public broadcaster for top-level appointments in Doordarshan and All India Radio was reportedly returned by the Information and Broadcasting Ministry recently, which advised the board members to sign a fresh letter in which the order of recommendations had been changed.

According to sources, at a board meeting held on

March 15, the Prasar Bharati board had shortlisted three candidates for the post of Director General, Doordarshan, and two for the post of DG, AIR. These candidates were selected after they sent in their applications, in response to an advertisement, and were duly interviewed.

The next day, the board sent its recommendations to the I&B Ministry, with the names numbered (a copy of this is with The Indian Express). So, for the post of DG, Doordarshan, L D Mandloi was No. 1, Tripurari Sharma No. 2 and Ram Subhag Singh

No. 3. Likewise, for the post of DG, AIR, G Jayalal was No. 1 and L D Mandloi No. 2.

On March 21, the I&B Ministry reportedly sent back the recommendations to the Prasar Bharati board and all members were orally advised to sign a fresh letter in which the order of preference of the candidates had been changed.

"I was told the board has decided to send in a fresh recommendation to the ministry with Sharan as the first candidate for the post of DG, Doordarshan, and Mandloi the preferred name for DG, AIR," said a board member.

Another person close to the development said: "Such decisions are usually taken in board meetings, whereas this time board members were individually asked to sign fresh letters without any discussion on the order of priority."

The Ministry, however, has denied the allegation. "The I&B Ministry merely forwards the recommendations made by the Prasar Bharati Board to Appointments Committee of Cabinet. It doesn't tinker with the recommendations. Since the letter sent by the Prasar Bharati on March 16 didn't say its recommendations were in

the order of priority, it was sent back to them to clarify this," said a senior I&B official. "The fresh recommendations sent, therefore, may have a different order of names."
