Dated 27th January, 2011

Dear

Please refer to ADTEA's letter No.AIR/DD/TEA/2011/1-20 dt 20.01.2011 regarding redressal of certain grievances of the personnel of Prasar Bharati getting salary from IRLA (copy enclosed).

In this regard, the Association in a meeting held under the Chairmanship of Member (Personnel), Prasar Bharati on 21.01.2011, represented that due to non-issuance of salary slip for the last few months, the employees were not aware of their salary details and various deductions being made from their salary.

In the other meeting, minutes of which were circulated vide this Sectt's letter No. 1/124/2007-PPC, dated 12.02.2009, it was pointed out by the representatives of ARTEE that whenever an employee was transferred from one Station/Kendra to another, the Pay & Accounts Office is generally changed with the change of office. But, the GPF account which should have been transferred forthwith to the new PAO, was being delayed inordinately. This has resulted in putting the employees to face lot of hardships such as delay in settling their GPF account, draws of advances, etc.

I shall be grateful, if you could kindly look into the matter and take appropriate action to address the above grievances of the personnel of Prasar Bharati.

With regards.

Yours sincerely,

(J. P. S. Chawla)
