

Incentive Scheme for Districts effected by Naxalism

ARTEE is concerned about inherent risks of serving in Stations falling in Naxallite affected Areas. We have taken up the issue of Incentive Scheme for employees working in Naxalism affected Areas. As per Guide lines of Ministry of Home Affairs, An incentive scheme is launched. We are uploading the state wise list of districts covered by the scheme. All Zonal committees of ARTEE are advised to prepare a list of our Stations falling in these districts so that we can prepare a comprehensive proposal and pursue the matter at appropriate levels.
