Chief Executive Officer,
(Through proper Channel)
Prasar Bharati
New Delhi

Sub: Request for implementation of ACP to undersigned in the light of Patna Case.

Sir,

With due respect I request your kind attention about the decision of Hon'ble Supreme Court on January 10, 2011, for implementing the benefit of ACP scheme as per the verdict in OA No.514/2002 filed at Patna and thereafter the same benefit was extended to some more employees posted at various stations at Delhi.

Your goodself is aware that the ambiguity on any differentiation amongst the engineering employees of AIR & Doordarshan in terms of the pay and benefits of same cadres were removed after the amendments in PB Act 2010 and subsequent notification by Govt of India on January 9, 2012, thus settling all disputes related to the order dated 25.2.1999. Prasar Bharati vide their order dated 10-10-2013 (with subsequent orders from DG-AIR dated 28th Oct) has also regularized grant of the benefit of MACP to all employees including the 11 categories of Engineering programme employees covered in the order dated 25.2.1999.

It appears the generalization of benefit of ACP, was kept pending due to the Review petition filed in the Hon'ble High Court of Patna. ***Now since the Review petition in the Patna Bench of Bihar High Court is finally settled, the ground has been cleared for the implementation.***

Since it has been granted to some of the employees of various cadres viz. EA, SEA & AE, I request your goodself to kindly grant the benefit of ACP as per the decision on Patna case to undersigned at the earliest so as to revive my faith in the system.

Reference : 1. Order No 8/2/2011-SIV(B) 28.02.2013 from the O/o DG-AIR granting ACP to 16 employees

2. Order vide F No. Misc-1/30/2012-PPC dated 10-10-2013 by PB clearing the MACP to subordinate engineering cadres.
3. Order No 35034/1/97-Estt.(D) dated 04-10-2012 by DoP&T allowing stepping up of pay for seniors who got benefits under ACP Scheme and are drawing less pay than juniors.

With warm regards

Yours faithfully,
