(1).As per agreement signed on 25/2/1999 the Helpers, Diesel Engine Drivers, D.Tech., Mast Tech were given higher scales to the 25% of sanctioned strength of these cadres. This has to be implemented through DPC regularly which is not being done since so many years. Regular DPC should be conducted and next scale should be granted immediately.

(2). This Association has been demanding opening up Seniority cum fitness quota for helpers in promotion to the post of Technician. We request that the steps in this direction.
