

UPDATE ON Tech vs Lighting Assistant ISSUE

As reported earlier Ministry of I&B through Prasar Bharati asked DG AIR to calculate Financial implications of granting Notional Fixation for the period 01/12/1983 to 31/12/1995 in the scale Rs. 4500. Meanwhile after effective persuasion by Sh. G.M.Tyagi (Member DG Council) and Central Team, Ministry of I & B asked to calculate financial implications to grant scale of Rs. 5000-8000 w.e.f. 01/01/96. It will immensely benefit our eligible Technicians. It will also support the cause of EA(5K) and any effort to downgrade EAs and SEAs in the grade pay Rs. 4200 through merger may be opposed more strongly.

The efforts of Central Office are focused on earliest possible implementation of the verdict. All our Zonal Bodies are now instructed to make efforts that the Financial Implications are calculated at the earliest and sent back so that matter may be pursued further.
