Subject: Thanks for order about MACP and Prompt Response about Felini Cyclone

Respected Sir,

On behalf on ARTEE I convey our gratitude on clearing all doubts about MACP through issuing order no. Misc-1/30/2013-PPC Dated 10.10.13 with the Approval of Prasar Bharati Board. This order has come as relief for present employees and employees who are waiting for their Retirement benefits after Superannuation. Issuance of this order has enhanced faith in pro welfare approach of Prasar Bharati.

Further I also thank you for your prompt response on 12.10.13 on our request of making proper arrangements for ensuring safety and security of staff members working in Stations falling in Felini cyclone effected Coastal Areas of Odisha and Adhra Pradesh.

I am also thankful to our Respected Member(P) and E.in.C.(TV) for showing their concern.

Thanking you.
