I convey my sincere thanks to ARTEE Central Team led by Shree Umesh Sharma ji & Sh. Anil ji, for their support in handling our case. When Government filed S L P in the Supreme Court it was beyond our capacity to handle it.

We approached ARTEE Leadership and they immediately supported us .

I also appeal all members, please don't file cases in individual capacity .It is proved in our case that it delays the long awaited decision .

Once again we thanks ARTEE for its beautiful support and to provide a huge amount for our case .
