Dated: 25.06.2012

Dear Comrade

The detailed campaign tour programme is enclosed. We have given details of the date and place of the meetings of each state separately. The tickets for travel inside the State will be arranged by the concerned State Committee secretaries, whose names and phone numbers are given. The return and forward journey may be arranged by the concerned individual leaders deployed for each station. The deployed comrades are requested to reach the destination in the morning itself. The State Secretaries may arrange for more than one meeting in a station. For the facility of maximum coverage the visiting leaders may form groups to visit the offices. The affiliates are requested to give necessary instructions to their field formations to mobilize their members to participate in the March to Parliament programme and see that their journey tickets are booked well in advance.

With greetings,
Yours fraternally,
K.K.N. Kutty
Secretary General
