Subject : Pending issues about staff matters in North East Zone.

Respected Madam,

With regards this is to bring in your kind notice about pathetic condition of staff matters in North East Zone pending since long time. Pl. refer to the undersigned letter ARTEE/1021/12/2010 09/12/2010. It is a very sorry state of affairs of HRD matters. Some of the issues mentioned below :

[1]. DPCs in subordinate Engg. Cadres from Tech to Sr.Tech. , DED to D.Tech and Mast Tech, Sr.Tech to EA, and EA to SEA are pending since a long time.

[2]. Implementation of MACP is pending for Helpers and SEA who were promoted after 01/01/2006. It is astonishing that MACP for Similar SEAs have been implemented in all other zones but North East Zone still waiting for a clarification which is not at all required.

It is also surprising that MACP in all other zones for SEA who have promoted from EA after 01/01/2006 has been implemented through out the country ignoring the promotion fro EA to SEA as per clause 5 (five) of MACP order dated No.35034/3/2008-Estt. (D) Dated 19-05-2011 which is reproduced below :

5. Promotions earned/upgradation~ granted under the ACP Scheme in the past to those grades which now carry the same grade pay due to merger of pay scales/upgradations of posts recommended by the Sixth Pay Commission shall be ignored for the purpose of granting upgradations under Modified ACPS.

[3]. In NEZ zonal office against a sanction of 32 Gazetted officers only 11 are posted. Last week only four officers were present in the office and remaining were on tour to New Delhi to attend B.E.S.

[4]. The North East Zone is facing Acute staff shortage in North East Zone and the only solution is special drive of recruitment exclusively for North East.

Dated.

It is also pertinent to mention that a Exclusive Meeting for issues of North East under the chairmanship of CEO but it is very sad that even after so much time is lapsed but there is no progress in implementing the decisions taken in the meeting.

There is very strong resentment among staff of North East Zone and this frustration can cause a democratic agitation any time. This type of Agitation can jeopardize the function and spoil the cordial atmosphere of the department.

An early action in regard is demanded as the matter is of extremely sensitive nature.

Thanking you,

Yours faithfully,

Umesh Chandra 8/3/11
President, 98718765714
