

PRASAR BHARA TI (BROADCASTING
CORPORATION OF INDIA) DIRECTORATE
GENERAL: ALL INDIA RADIO

F.No. : 1/1/2007-S.III

Dated: 16.3.2007

It has been noticed by the Directorate that once the transfer order in respect of any officer is issued, requests/pressures start flowing for either cancellation/deferment/change of place of posting etc. which becomes very difficult at times in view of acute shortage of staff at certain places and also urgency/exigencies of work involved at certain other places. All the Directors/SEs/ASEs/ AEs are, therefore, advised to send their requests indicating the places where they would like to be transferred after completion of their tenure well in advance to the Dte. so that the Directorate is in a position to give consideration to their representations and frequent changes in the places of posting a cancellation is not resented to. This will avoid unnecessary administrative and operational problem.

2. Officers concerned would kindly appreciate that it is not possible for us to contact each and every person every time on completion of tenure asking him to indicate the place" of his/her choice for posting. In case, no request is received from the officers concerned or well before the completion of his/her tenure, it would be presumed that the officer concerned is willing to go to any place in India and accordingly, orders for transfer would be issued. Once the transfer orders are issued by this Directorate, no request for change/cancellation/deferment would be entertained particularly in view of circulation of this advice.
