Subject : Resentment against outsourcing of Retired employees in Doordarshan Kendras.

Respected Madam,

With regards this is to inform you that as per information received from CPC Khelgaon and DDK Delhi and other Kendras of Doordarshan it is learnt the department is in the process of appointing some retired persons in these stations against posts of sub ordinate Engg. Cadres.

As your good office is aware about the agitation launched by this Association during launching of DD News Channel in CPC in 2003 against outsourcing in News through BECIL. As a result outsourcing was stopped in Engg. cadres. Once again We reiterate our clear stand against any type of Outsourcing in Sub Ordinate Engineering Cadres.

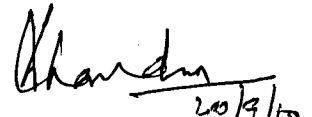

We demand immediate stopping of such recruitment of Retired persons through outsourcing, or this Sanyukta Sangharsh Samiti of ARTEE and ADTEA will be compelled to resort to Agitational Measures which will lead to disturbance in Industrial Peace and will subsequently spoil the cordial atmosphere.

We request your good office to grant us a Official meeting on this subject within next three days or we will have no option to sit in front of your office.

In this regard an urgent intervention of your high office is required to avert ay crisis.

Thanking you,
Yours faithfully,

[Kulbhushan Bhatia]
