## **Resolution of the NFADE Seminar at Mangalore on 04.11.2010**

### **" Repeal Prasarabharathi "**

Akashvani is continuously and unstintingly rendering Yeoman service to the Nation since eighty years and helped to preserve the rich art, culture and tradition of our country.

After forming ' Prasarbharathi ' it is deprived from funds, men and material. The glorious Department is dwindling and collapsing very fast.

To help the Nation in difficult days and to build welfare state, a visionary National Media is very essential Hence Govt. should repeal 'Prasarbharathi ' Act and Strong them Air and Doordarshan immediately.
