To
Smt. Ambika Soniji,
Honorable Minister,
Ministry of Information and Broad Casting,
Government of India,
NEW DELHI.

Respected Madam,

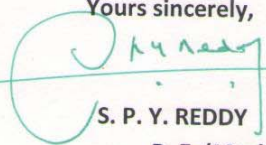

It is very evident that the affairs in Prasara Bharathi right from its origin is not up to the expectations of either the public or Government Of India ultimately leading to a chaotic situation there by nullifying the very basic bountiful duties of a national Broad caster.

As AIR & DD have successfully exhibited there professional competence as National Broad Caster all along the years prior to Prasara Bharathi existence, it is the need and time to preserve these two institutions along with the interest of its employees for which I do here by request you to be kind enough in stopping the treacherous and debilitating tendencies of the Prasara Bharathi till taking a firm final decision by Honorable Parliament of India.

With Regards.

Thanking you,

Yours sincerely,

S. P. Y. REDDY
