

Agenda No.5 – Seniority lists of Helpers to SEA.

The seniority list in various cadres are being prepared and are likely to be issued by June 2006.

Agenda No.6 – Staff problems at DTH Todapur.

Already large number of posts are lying vacant at various stations and hence may not be feasible to post additional staff for DTH at this stage. The matter for additional posts for DTH. may be taken up with the Directorate.

Agenda No.7 – Staff quarters allotment at PGF Mathura.

It was intimated that there is a problem of drinking water in the staff quarters at PGF Mathura. It is suggested to provide a single RO system. It was suggested that the proposal may be sent to zonal office for further necessary action.

Agenda No.8 – Promotion from DED to D.Technician and transfer in same capacity (against post of Tech.).

It was informed that the transfer of Technicians is generally not done as it is a local post.

Agendra No. 9 - Request of transfer in different cadres and request for transfer from difficult station from the first opted choice place.

Efforts are generally made to give the place of posting after a tenure station. However, at times it may not be feasible due to practical problems to give the first place of choice. Consequently either the senior most person of that station is transferred or the person is transferred to 2nd or 3rd choice places.

Agendra No. 10 - Technician transfer list status.

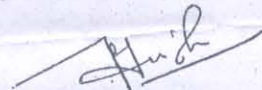

Technicians are generally not transferred as it is a local post. However, requests for mutual transfers are considered sympathetically.

Agendra No. 11 - Transfer in various cadres as per city seniority maintained.

It was informed that this is always not feasible due to practical problems. However, efforts are always made to follow transfer policy as far as possible.

Agendra No. 12 – ACP in DED cadre.

This issue has already been taken up and is likely to be completed shortly.
