

Dear Comrades,

As you are aware we have been making efforts for the implementation of Notional Pay Fixation from 1983 to 31.12.1995 & Pay fixation for Rs.5000- 8000 with arrears from 01.01.1996 to 31.12.2005 & PB II with GP Rs.4200/- from 01.01.2006 for Technician in parity with Lighting Assistant. Though the DG:AIR & PB has recommended to Ministry for implementation Ministry was looking for the decision of the Review Petition. After our negotiations with the authorities they Informed that they can consider the request on the basis of the legal opinion of their advocate. Now the PB advocate has given his legal opinion in favor of the implementation and DG AIR forwarded the same to Ministry. Copies are attached for your information.

We are committed to make all out efforts for the implementation at the earliest.
