

ARTEE Central Office condole the sad and untimely demise of Sh. T.K.Kalania, Ex State Secy. Uttarakhand (2011-13) due to Heart Attack in Dehradun today i.e. 23.8.2015. I am also personally shocked. He has been in Lucknow also and was a very active person. I spoke Sh. Pushpavan, AE, DDK Dehradun and others. He was not having any history of heart decease and yesterday evening he even played Badminton with colleagues. Sh. Kalania left two sons one is studying in eight and another in sixth standard. It is again very sad to know that he was the only child of his parents.

He was a very kind hearted man and a good human being. I remember in 2012, when my mother was admitted to Himalyan Hospital , Jolly Grant , 20 kms from Dehradun, He along with Sh. Pushpavan, AE came to meet me and offerd all possible help .

In this difficult time we convey our condolences with the prayer to allmighty to give strength to the family to bear the loss and to bless departed soul peace and a place in heaven.

However death has no replacement but the need of benevolent fund and insurance in ARTEE and in the department is need of the hour.

.. Umesh C Sharma, President, on behalf of ARTEE Central Office
